

# LAB 04

## Working with Web UX Design Tool - 01

### 1. Session Objectives:

In this session, you will be practicing with

- Understand Web UI/UX tools
- Create Web UI template with Sketch, Framer X, Adobe XD

### 2. Do It Yourself:

**Exercise 1:** Create Online Music Website homepage template with Sketch and Framer X

Hint:

- Based on wireframes design in Lab 03
- Sketch is used only for MacOS X
- Framer X is online tool

**Exercise 2:** Use and edit Web UI template sample in courseware with Adobe XD

Hint:

- Install and use Adobe XD to open sample
- Use template in courseware
- Edit font, color and layout of template
- Preview the template
